

JEANNIE DOUGHERTY

Certified Money &
Mental Fitness Coach

About Jeannie

As a determined woman ready to positively impact the world, Jeannie Dougherty continues to help people from all walks of life. She is a money expert and mental fitness guide for those that to take control of their money in 90 days. Moreover, she works with individuals ready to make a career leap, couples that need a financial path to peace and harmony, and small business owners that need a 90 days cash infusion plan. Over the years, her efforts have earned her a trustworthy, kind, and profitable reputation amongst her clients. She helps them find financial success with happier relationships, and peace of mind.

She graduated with a Master's degree in Counseling from Ottawa University. She also graduated from the prestigious Money Coaching Institute as a Certified Money Coach for individuals, couples, and small businesses. She is also a trained mental fitness coach.

Jeannie helps all of her clients to become their own money back guarantee by using their money sage power. She can read one's money aura which is a fantastic asset when negotiating.
